

APTITUDE TEST ORGANIZED AT SHAIKH PU COLLEGE OF SCIENCE
COMMERCE AND ARTS

Shaikh PU College along with media Industrial Training centre organized Aptitude Test for the students recently. The event was organized for the students to know the importance of Aptitude test and its role from career perspective. Ms. Nisha enlighten the students the various vocational courses offered by the institution. She highlighted why there is a need of learning this additional software courses.

It is very important for every student to understand what is embodied within the word **Aptitude** and why an **Aptitude Test** for career selection is important when tracing your path towards success and growth, she added. She further said that every career option requires a particular aptitude combination that should match with the individual's potential ability to grow with that career.

Later an aptitude test was organized for the students. The test consisted of multiple choice questions and was administered under exam conditions. It was strictly timed and allowed 30 minutes for 30 or so questions. The students were given certificated during the event. More than 180 students from all the streams participated in the event.

The event was coordinated by Ms. Shradha and supported by Ms. Roopa Sakri, In- Charge Principal, Shaikh PU College.
