

WORKSHOP ON CLOUD COMPUTING ORGANIZED AT BELGAUM INSTITUTE OF MANAGEMENT STUDIES

Belgaum Institute of Management Studies organized one day workshop on Cloud Computing at the college premises recently. The resource people on this occasion were Mr. Yusuf and Mrs. Ratnaprabha from Jetking Institute Belagavi. The workshop was organized to make participants adept at various cloud computing architecture. Live projects will help participants keep up with all technologies, tools and methodologies required to understand and work in cloud computing principles used in the IT industry.

Addressing the students Mr. Yusuf said that cloud computing differs from the classic client-server model by providing applications from a server that are executed and managed by a client web browser. He further said that cloud computing is an emerging field in today's technological growth. Mrs. Ratnaprabha explained how students can make their career in cloud computing and can add as a value added course to their resume. She further said that cloud computing marks a paradigm shift in the way businesses & consumer services are offered and consumed over the internet.

The seminar was interesting and informative. Students, faculty members participated and were benefited by the seminar. The event was coordinated by Mr. Shahikant Hunchal. The event concluded with vote of thanks proposed by Mr. Sourabh.
