

**SHAIKH COLLEGE OF ENGINEERING & TECHNOLOGY ORGANIZED SESSION ON CAREER
GUIDANCE ON CYBER SECURITY**

Shaikh College of Engineering & Technology, Department of Computer Science organized a one day Career guidance session on cyber security at the college premises recently. The guest speaker on this occasion was Mr. Vallabha Desai, Mr. Zaheer Abbas and Mr. Robinson Dsouza from Cyber Security, Centre of Excellence, Department of IT and BT, Government of Karnataka.

The objective of the event was to highlight the students with the advanced technology in cyber security. Addressing the gathering Mr. Vallabh Desai emphasized on various facts of cyber stalking, spoofing, cyber crimes and cyber forensics. He gave a deep insight on various technical jobs for professionals in cyber security for the students. The speaker also explained about cyber crimes and cyber security mechanism and tools with some live examples. He further told the students about cyber security, internet security tips.

Mr. Zaheer Abbas gave an overview of the data security system by discussing some important provisions of information technology act. He also addressed some concerns and queries of the students and gave some tips concerning the protection of privacy in the virtual world.

The session was proven to be very inspiring and informative to the students. The event was coordinated by Prof. Vishwanath Ghali and Dr. Shivaleela Arlimatti and supported by Dr. S.C Mali, Principal, Shaikh College of Engineering & Technology.
