

**INAUGURATION FUNCTION FOR B.E 1ST YEAR STUDENTS ORGANIZED AT SHAIKH
COLLEGE OF ENGINEERING & TECHNOLOGY**

A welcome function for B.E 1st year and Diploma 1st year students was organized at Shaikh College of Engineering & Technology, Belgaum. The chief guest for the event was Dr. Abu. Shaikh, Chairman, Shaikh Group of Institutions. The other dignitaries present during the event were Dr. H.G. Shekarappa, Director, Shaikh College of Engineering & Technology and Dr. M.J. Attar, Chief Coordinator, Shaikh Group of Institutions. The function began with invocation songs. Dr. S.C. Mali, Principal, Shaikh College of Engineering & Technology welcomed the gathering and gave a brief introduction of college to the fresher's and parents. He highlighted on the facilities available in the campus. The students were also briefed on the aspects of being discipline and sincere in the campus.

Dr. Abu Shaikh, Chairman, Shaikh Group of Institutions addressing the gathering welcomed the students to the Shaikhian family. He said that the students have the advantage of studying in such an environment which is away from urban area and also free from noise pollution and air pollution. He further said that the person who goes in search of knowledge is called student and this phase of life is very pure and must be used to acquire knowledge. He advised the students to be on right path and do god things. He blessed the students for their future Endeavor.

Dr. H.G. Shekarappa, Director, Shaikh College of Engineering & Technology in his presidential remarks advised the students to make best use of available resources and study well. Speaking about the importance of education he advised the students to build interest in acquiring knowledge, he advised the students to cultivate good habits which will lead them to a successful path. He motivated the students to reach greater heights over the years and promised to nurture the new entrants to achieve the same with his proud team of faculties.

The event was concluded with vote of thanks proposed by Dr. A.M. Sangogi.
