

JIGYASA-17, TECHNO-CULTURAL FEST ORGANIZED AT SHAIKH COLLEGE OF ENGINEERING & TECHNOLOGY

In a bid to promote the hidden talent of the students and celebrate the zeal of the youth Shaikh College of Engineering and Technology organized Two Day Inter College Fest- JIGYASA-17. The event was a synergy of the youth creativity and talent quotient. It was a hustle bustle affair with gamut of events rolled to test talent and mental ability, logical thinking, spontaneity and knowledge. The event was inaugurated by Chief Guest Mr.Nitin Landge, Jt.Managing Director of Gokul Ferrocast Pvt.Ltd, Belagavi. Er. Abu Shaikh, Chairman, Shaikh Group of Institutions presided over the function. The other dignitary present at the inaugural function was Dr. M.J.Attar, Chief Coordinator, Shaikh Group of Institutions. Dr. Uday Hamppanavar, Principal, Shaikh College of Engineering & Technology.

The two day technical fest gave students an opportunity to witness a wide range of technical events ranging from conventional paper presentations and quizzes to fun filled activities such as Box Cricket, short movie making, football tournament, tell your own story, E- Entrepreneur etc. The paper presentation event was organized in order to give due recognition to staff and students who have put down their ideas in writing and ready to present it to the world.

Events like Lan Gaming, Tech Rangoli, talent hunt, extempore, Roadies, scary house HDL coding saw maximum number of participants and created excitement among the students. Addressing the gathering Mr. Nitin Landge said that it is a great way of making one's mind work in a creative way because towards the end winning or losing is not the case, it's all about being sportive and facing the competition head on. He further said that the techno cultural fest inculcates ingenuity and innovative abilities among the students and encourages them to explore the world beyond textbooks and academic activities.

Er. Abu Shaikh, Principal, Shaikh College of Engineering & Technology in his presidential remarks said that Jigyasa-17 is designed in such a way that it has many events to test the students and give them a platform to showcase their talent, skills and creativity. At Shaikh College of Engineering & Technology, we believe in stimulating bright young minds to think out of the box and innovate by providing a wholesome learning experience, he added.

Students from various colleges participated and enjoyed a two day festival at the college premises. A total of 30 events took place over the two day extravaganza involving over 2000 students from various colleges. The convener of the event was Prof. Chetana Patil. The event was coordinated by Mr. Prasad Patil.
