

PROJECT EXHIBITION ORGANIZED AT SHAIKH COLLEGE OF ENGINEERING & TECHNOLOGY

Shaikh College of Engineering & Technology organized a Project exhibition in the college premises recently. The event was organized to provide the platform and unleash the potential of the students by showcasing their innovative projects. The event also provided an opportunity for the students to demonstrate their learning experience. The chief guest for the event was Mr. Mahantesh Mangasuli, General Manager Big Casting Pvt Ltd, Dr. Vijaykumar Devappa and Prof. Naveed Mulla.

Addressing the gathering Mr. Mahantesh Mangasuli emphasized the importance of learning new technologies and tools for the students. He motivated the students to work in the startup companies to get in depth knowledge of the industry. He further said that one should be expertise a topic with other knowledge that makes one's resume unique to sustain in present industrial world. Prof. Naveed Mulla explained about the fundamentals of Internet of Things (IoT) and highlighted on the different tools available for IoT real time implementation. He also explained the student about application of real time projects in our daily life.

Addressing the students Dr. Vijakumar Devappa highlighted the advantage of civil department projects as they can visit on site jobs any time

such as road construction and building constructions. He further explained about the modern technology to students so that they can envision in their future work.

The students represented their ideas through posters and models. The students exhibited and demonstrated live projects and displayed talents in their respective fields. Dr. S.C. Mali, Principal, Shaikh College of Engineering & Technology in his presidential remarks said that such events creates awareness about the benefits of Science to mankind and also help develop rational thinking and science temper among the students. He also explained the students about the importance of project making.

The event was then followed by prize distribution ceremony for Best Projects. The event was coordinated by Dr. Shivleela Aralimath. The event concluded with vote of thanks proposed by Dr. Jagdish Gouda.
