

**SHAIKH COLLEGE OF ENGINEERING & TECHNOLOGY ORGANIZED SEMINAR ON
PERSONALITY DEVELOPMENT**

Shaikh College of Engineering & Technology organized a seminar on “Personality Development” for final year BE students recently. The seminar was organized in association with Gillette India. The resource person for the event was Mr. Jagadish Patil. The main objective of the workshop was to familiarize participants with emerging ideas and trends on how to develop personality.

Addressing the gathering Mr. Jagadish urged the participants to enhance their communication skills and interpersonal skills in order to function in professional and social settings effectively. He further emphasized on effective planning, time management & implementation for setting goals to achieve both personal and professional goals. He urged the students to learn to evaluate oneself for further growth- professionally & personally. Understanding one’s own personality and nurturing it well enables one to be a fine human being and an effective professional, he added.

Dr. S.C. Mali, Principal, Shaikh College of Engineering & Technology addressing the students gave tips on how to increase their self esteem. He also encouraged them to be optimistic and have a positive approach about everything in life. Students need to learn how to cope with the problem and face hardships while shaping their careers to become professionals and contributing citizens, he added.

The workshop adopted the process of demonstration-cum-discussion, presentation, group work and assignments. The program was coordinated by Mr. Murugesh Harihar.
