

WORKSHOP ON PYTHON ORGANIZED AT BELGAUM INSTITUTE OF MANAGEMENT STUDIES

A two day workshop on python was organized for BCA students at Belgaum Institute of Management Studies recently. The workshop aimed at enlightening the participants who wish to enhance their programming skills in the area of python and take up their projects. the resource person for the workshop was Mr. Vaibhav from Zeel Code Lab.

Addressing the gathering Mr. Vaibhav enhances the participant's technical aspects towards technological development that happen in the industry. He further stated that python is the most preferred programming language these days as it supports multiple programming paradigms. The workshop received an excellent feedback from the participants and they appreciated the method of delivery, model programs and the hands on exercise.

The workshop was mainly to provide basic knowledge of python and practical knowledge of its usage in market. The workshop was an hands on experience and certification. The event was coordinated by Mr. Shahikant Hunchal and supported by Ms. Roopa Sakri, Principal, Belgaum Institute of Management Studies.
