

"Azaadi ka Mahotsava" organized at Shaikh Pre University College Belgaum.

An initiative under Clean India Campaign "Azaadi ka Mahotsava" was taken up by Shaikh Pre University College students on 25/10/21. In this the students prepared and displayed posters and slogans in different languages on how waste plastic bags are polluting the land and water immensely. Plastic bags have become a threat to the life of animals living on earth as well as in water. An awareness rally was conducted in the nearby areas of Shaikh College such as Nehru Nagar, Subhash nagar, Shivbasav Nagar and educated the public about ban of plastic bags because Plastic as a substance is non-biodegradable and thus plastic bags remain in the environment for hundreds of years polluting it immensely and also suggested them to use paper and cloth bags.

The students collected E waste as a part of Clean India campaign.
