

Breast Cancer awareness program organised by A.M Shaikh Homoeopathic Medical College Belgaum

Science department of Bloomington academy (UAE) had observed "Breast Cancer" Awareness Program. Dr Fauzia. M. Ansari Professor dept (Organon of Medicine) of A M Shaikh Homoeopathic Medical College, hospital and Research centre was cordially invited as Chief Guest to deliver various Intriguing aspects of Cancer with special thrust on suggestive measures to be practiced there against.

The session was planned to raise health awareness regarding preventive and promotive measures to be practiced against Cancer among teachers, staff, students (undergraduate & graduate) and entire family of the audience. Session was interactive with lots of queries coming up. The audience was very eager and excited to know about various types, treatment and researches done to curb the dreaded disease i.e. "Cancer".

The queries were answered with patience in detail and were appreciated by the organizers. The programme concluded with a note of meeting up again and heartfelt gratitude expressed by the organizers.
