

SHAIKH GROUP OF INSTITUTIONS SHAIKH CENTRAL SCHOOL ORGANISED BOOK MARK COMPETITION

"Creativity is just connecting the thoughts and spreading Awareness"

Shaikh Central School Conducted Book Mark Competition for the Grade 1st to 6th.

This fun filled activity unleashed their creativity on paper. The students worked enthusiastically and experimented with different shades of colour to flaunt their artistic imagination they created and decorated the book-mark using innovative ideas to make them look more interesting and to capture the readers imagination. Such activities teach students the most valuable lessons of life in relatively less time and at the same time keep their competitive spirits high. The students used handmade paper, paints, glitter, adhesive etc and made the creative eye-catching bookmarks. It was opportunity for them to display their talent and creativity .The best of it were selected and awarded.

SHAIKH GROUP OF INSTITUTIONS SHAIKH CENTRAL SCHOOL ORGANISED COLLAGE MAKING COMPETITION

Shaikh Central School believes in hands on learning to inculcate the habit of learning while doing things. We as educators facilitate learning through various such means so we have conducted collage making competition for the grade 7, 8, 9 and 10th. Collage making is expressing one's own idea trying new things and experimenting with changing material. It engages children senses in open ended play and supports the development of cognitive, social and multisensory skills.

The best way to develop learning through creativity is to provide a variety of material and give children time to create their own. It was a group competition through which children will learn team work with giving every child to express his/her creativity so that the final outcome is great. All the participants utilized the next hour getting newspaper, magazines ,scissors and other raw material to create interesting displays as per there theme .The final collage were then judged and the result were declared .the criteria of judgment were creativity ,theme and presentation .

It was a fun way to encourage the children awareness of color and texture the focus of this event is on experimenting imaginatively.
