

PAPER AND POSTER PRESENTATION AT ALL INDIA NATIONAL SEMINAR AT
KOLKATA BY A. M. SHAIKH HOMOEOPATHIC MEDICAL COLLEGE AND PG RESEARCH
CENTRE BELGAUM

Dr. Shrishail Murgod Ph.D. Scholar and Professor Dept of Materia Medica, A M Shaikh Homoeopathic Medical College and PG research centre Belgaum presented his Research paper on his topic ***“Efficacy of Homoeopathic Medicines in treatment of Tinea Corporis”*** as Resource person in the **All India Post Graduate Seminar 2022**, organised by the Calcutta Homoeopathic Medical College in collaboration with National Commission for Homoeopathy(NCH) Central Council for Research in Homoeopathy (CCRH) National Institute of Homoeopathy (NIH) in Biswa Bangla Convention centre, Kolkata.

Dr. Muhilan S, PG-Scholar in the Department of Practice of Medicine at A M Shaikh Homoeopathic Medical College and PG research Centre, Belgaum was selected for poster presentation at the All India Seminar. The title of presentation was, ***“Perceiving the influence and utility of maternal emotions in the treatment of Infants with polypoidal Umbilical Granuloma - case report”***. Where, the infant and mother were simultaneously treated with a single dose of indicated homeopathic medicine after considering the mother’s state of mind into the totality and in a span of 20 days the Umbilical granuloma of the 48 days old infant was completely annihilated. It was concluded that the relation between the emotions of the Nursing mother and the child's health is clearly established. Consideration of the maternal emotional state in the prescriptive totality of the infant has proven to be efficaciously useful.

Their presentations were awarded with Certificate of Appreciation and a prize for the presentation.
