

**A.M.SHAIKH HOMOEOPATHIC MEDICAL COLLEGE, DEPARTMENT OF COMMUNITY  
MEDICINE CONDUCTED FIELD VISIT TO WATER PURIFICATION CENTRE**

The Department of Community Medicine conducted a field visit to Water purification centre Laxmitek Belgaum for 63 students of final year as a curriculum activity as per the apex bodies.

The head in charge of the centre Mr. Vikas Kumar from L&T Group explained the students the various process involved in the purification of water on a large scale with a practical demonstration with the working plant, which included Aeration, Coagulation, Flocculation, Filtration & disinfection. They demonstrated the process of backwashing. They also showed the students their lab where the water is tested for ph level, turbidity & for impurities. They showed the large tanks where purified water is stored which have a capacity of 20 lakh gallons each tank & such four tanks are available.

The batch was accompanied by Dr. V.R. Kulkarni , HOD , Department of Community Medicine.
