

RESEARCH ORIENTATION PROGRAM FOR FACULTY MEMBERS

A orientation program towards CCRH MOU and other collaborative research was organized by the institution on 15/7/2023 in PG Discussion Hall at 11.00 – 1.00 pm. Dr Kiran Patil, Dr Shweta B Nanjannavar, Dr Premlata B Rotti sensitized the faculty members about the possible research areas with CCRH and their subject domain.

Dr Kiran Patil highlighted on the objectives and components of CCRH MOU with institute. Dr Shweta B Nanjannavar focused on the types of studies that can be taken up with CCRH and the proposals that can be prepared in their subject domain towards any collaborative research. Dr Premlata Rotti highlighted on drug proving, drug standardizations and possible areas of research at our institute. The session ended with summing up with brainstorming and discussion with all participants. There were about 33 participants in the orientation program.
