The fort on top of hill is visible from almost all areas of Belagavi. It is also believed that there existed a secret tunnel from Belagavi fort upto Rajhunsagar during the ancient period. In this fort, a beautiful Temple of ‘Lord Shiva’ is situated where most of the people staying in and around the villages of this fort visit and pray every Monday. There is Well of sweet water on top of this hill. It is an admirable archeology of the past architects and rulers. An awesome view of Belgaum City can be had from this fort.
