

## **BELGAUM INSTITUTE OF MANAGEMENT STUDIES ORGANIZED A SESSION ON “CAREER GUIDANCE & HOW TO CRACK COMPETITIVE EXAM”**

Mr. Basavvaj Kuppasgoudar, administrator C.M.A. IAS ACADEMY gave an introduction of CMA Academy and need of skilled training to students. Mr. Nagaraj majagi Co ordinator and the resource person M. J Pujar, he highlighted about today's educational and professional panorama heavily relies on competitive exams. They are standardized tests used to examine candidates' knowledge, abilities, and skills in a range of professions. These tests act as entry points to top universities, positions with the government, scholarships, and other employment prospects.

Competitive exams are used as a gauge of talent and competency in a highly competitive society, whether they be civil service exams, university admission exams, or professional certification tests. In this blog we will look at different types of competitive exams and how does a coaching center cover the important aspects of competitive exams

### Types of Competitive Exams

- SAT, ACT, GRE, GMAT, NEET (medical entrance exam), JEE Main (engineering entrance exam), CAT (MBA entrance exam), etc.
